Bamboo - Good for You, Good for the Earth

Why Bamboo?

Choosing bamboo cabinets can not only be a stylish choice for your home, but also a great sustainable option for the environment! It's a great way to add individuality to your home that won't be found at every house on the block. Bamboo has its own unique grain that can be placed either horizontally or vertically (or even both!) to create a unique pattern in your kitchen, bathroom or whichever room you choose to put it in. It gives an elegant look to any room and with so many different colour options, the possibilities are endless!

Bamboo takes less energy to grow and renews itself readily. Unlike hardwood trees, which once cut, don't regenerate themselves, bamboo is an endlessly renewable resource. Each plant can be harvested repeatedly. Bamboo is a resilient and strong material that resists wear and tear. It has great personality and can also be stained like traditional woods.

Integri Kitchens is the exclusive dealer for the full line of DeWils cabinetry, which includes bamboo. Bamboo is available in raised or flat panel door styles in **19** colours to suit any room and style.

If you or someone you know is interested in bamboo cabinetry, stop by **Integri Kitchens** today to take a look at our samples and see what we can offer you!

...and for those hot summer days, try our refreshing White Wine Sangria recipe...

White Wine Sangria

Here's a tasty and refreshing summer drink recipe for you to enjoy out on the patio or in the backyard. It's very easy to make with ingredients you may already have at home, and is a great drink to share with friends in the afternoon on a hot day. Please enjoy responsibly!

Ingredients

- 1 bottle of white wine
- 2/3 cup of white sugar
- 3 oranges, sliced OR 1 cup of orange juice
- 1 lemon, sliced
- 1 lime, sliced
- 2 oz. of brandy (optional)
- 1/2 litre of ginger ale or club soda (ginger ale for those who like sweeter sangria)

Directions

Pour wine into a large pitcher and squeeze the juice wedges from the orange, lemon and lime into the wine, and add brandy if desired. Toss in the fruit wedges, leaving out seeds if possible, and add sugar. Chill overnight. Add ginger ale or club soda just before serving.

If you would like to serve it right away, use chilled white wine, and serve over lots of ice.

To make it your own, add other fruits like strawberries, peaches blueberries or raspberries for an extra burst of flavor!

Enjoy (and try to share *some* of it!)

That's all for the first edition of our newsletter. We welcome your comments. Enjoy your summer!

Sincerely,

The Integri Kitchens Team

Karen, Sonya, Brittney & Sherry
